**TITLE VIII—DEBT REDUCTION
DEPARTMENT OF TREASURY
BUREAU OF THE PUBLIC DEBT**

**Gifts to the United States for Reduction of
the Public Debt**

The conference agreement includes a new title depositing an additional amount in fiscal year 2001 into the account established under 31 U.S.C. section 3113(d), to reduce the public debt.

**TITLE IX—WILDLIFE, OCEAN AND
COASTAL CONSERVATION**

Sec. 901-902.—The conference agreement includes \$50,000,000 for formula grants to the States for wildlife conservation and restoration programs. Funding is provided through the U.S. Fish and Wildlife Service in the Department of Interior. This amount is in addition to funds provided for new, competitively awarded and cost-shared wildlife programs in the FY 2001 Interior Appropriations Act. This action recognizes wildlife conservation as a critical component of a nationwide strategy and supports state efforts in wildlife conservation and restoration. The conference agreement includes authorization language for this program.

Funding has been provided for the development, revision, and implementation of wildlife conservation and restoration programs and plans to address the unmet needs for a diverse array of wildlife and associated habitats. Funds provided to states or Indian Tribes may be used for planning and implementation of wildlife conservation programs and conservation strategies, including wildlife conservation, wildlife conservation education, and wildlife-associated recreation projects, for new programs and projects as well as to enhance existing programs and projects.

Each state's apportionment is determined by formula which considers the total area of the state (1/3 of the formula) and the population (2/3 of the formula). No state will receive an amount that is less than one percent of the amount available or more than five percent for any fiscal year. Puerto Rico and the District of Columbia each receive a sum equal to not more than one-half of one percent and Guam, the Virgin Islands, American Samoa, and the Northern Mariana Islands each receive a sum equal to not more than one-fourth of one percent. The conference agreement requires States and other jurisdiction to have or agree to develop a wildlife conservation strategy and plan as a condition for receiving a federal grant under this program.

Sec. 903.—The conference agreement includes language authorizing a coastal impact assistance program for fiscal year 2001.

TITLE X

The conference agreement includes a new title X to authorize loan guarantees in order to facilitate access to local television broadcast signals in unserved and underserved areas, and for other purposes.

TITLE XI

The conference agreement includes a new title XI, the Legal Immigration Family Equity Act.
